PARTNERSHIP OF BRACKENSTOWN, SWORDS, RIVER VALLEY & DONABATE PARISHES

FEAST OF THE BAPTISM OF OUR LORD 11 JANUARY 2026 YEAR A

We live in very unsettling times, with respect for International law, the sovereignty of nations, and the UN charter of universal human rights, as well as the European Union institutions, which have helped to maintain a fragile peace in Europe since the end of the Second World War, being called into question, if not undermined by some. Those of us who have grown up in peacetime perhaps run the risk of presuming that such peace will always prevail, whereas in fact it always needs to be safeguarded. This involves ensuring that the fundamental human rights of all are safeguarded, not just our own. In times of uncertainty, the rock that Christians hold on to is our faith in Jesus Christ. This weekend, we celebrate the feast of the Baptism of Our Lord, which marks the end of our Christmas season. More importantly, it signals the beginning of his public ministry of preaching, healing and calling disciples. Christ continues to call disciples, and the sacraments of initiation into the Christian community (Baptism, Confirmation and Eucharist) mark our formal response to that call. This Sunday we welcome many of those who were baptised into our parish community during the past year, and their families, at the 11.00am Mass. Today's feast reminds us all that it's not that we were baptised sometime in the past, as that we are baptised. Our baptism is not simply a passport to the other sacraments; it is the beginning of our Christian journey and a call to mission. All ministry in the Church finds its fundamental source in Baptism, where we are anointed for service to God's people and called to work for the bringing about of God's kingdom: a kingdom of love and truth, of peace and justice. As we pray this weekend with and for those who have begun their Christian journey through baptism, may we renew our commitment to Christ and to the possibilities and implications of our own baptism!
